

## **Living Divani @ Marres**

On November 24th Marres, important dealer based in Lanaken (Belgium), hosts an event exclusively dedicated to Living Divani.

For the occasion, the underground level of the exhibition space will be entirely set up with the products signed by David Lopez Quincoces, designer that collaborates with the brand for more than 10 years.

The outdoor space welcomes the guests presenting Agra in two versions, sofa and armchair, both characterized by perfect proportions, neoclassic elegance and oriental charm.

Inside, the first layout enhances a more industrial style, combining the materiality of wood, bricks and iron with a modern and contemporary decor. The protagonist of this first exhibition is Extrasoft, the bestseller sofa par excellence by Living Divani designed by Piero Lissoni.

Going downstairs, an artistic total white openspace hosts a wide selection of David Lopez Quincoces creations, each with its own peculiarities. The simplicity of the Era family, the legs' curve of Brasilia table in contrast with the decisive outlines of the recent proposal Ark, the Greene System modular upholstery, the stool table Anin and Track bench. Proceeding, the perfect match between top and legs of Graft combined with George's chairs and colourful stools Nina furnish up to the back wall, on which is presented the upholstered outdoor Kasbah: a relaxed and informal style, without giving up the elegance and delicacy of forms.

To complete the presentation, the Sale daybed, with reclining backrest, streamlined and refined, perfect for relaxation in any indoor & outdoor space.

Living Divani offers a unique opportunity to meet the designer and deepen his creations, ideas for the future and new projects.
