Exclusive partnership

Living Divani @ Lamborghini Lounge NYC

Living Divani, a leader in Italian upholstery and design, announced a partnership with renowned super sports car brand, Automobili Lamborghini, for the opening of the exclusive, invite-only Lamborghini Lounge New York City. The Lounge New York City, located in the coveted neighborhood of Chelsea in Manhattan, is furnished in partnership with Living Divani in the name of a 100 percent "Made in Italy" experience.

Discover what's new on our website Focus on products

The section dedicated to products has been further implemented with an infographic to help select among the various finishes available for each model. Specifically, by clicking on the desired component (identified with a dark gray color) it is now possible to discover the complete list of materials with which it can be finished, in order to make it even easier and more intuitive to identify the favourite variant.
